

ALABAMA DEPARTMENT OF LABOR ABANDONED MINE LAND PROGRAM
Proposed 2017 AML Pilot Program Project Request Form

Form Completed By:

Primary ADOL AML Project Contact:

AML Pilot Project Name:

Problem Area Number and Name:

Project Number(s):

Municipality:

County:

Primary Project Partner(s):

Project Description:

Total Estimated Project Cost:

OSMRE AML Pilot Program Guidelines Category? (A, B, or Both A and B)

Proposed AML Pilot Funding Amount:

Eligible for Title IV AML Funds or AMD Set-Aside Funds? (Y or N)

If Yes: Why fund this as a Pilot Program project versus just a straight AML or AMD funded project?

Is there any ongoing O&M funding requirement? (Y or N)

If Yes: What is the estimated annual O&M cost and source of that funding?

For projects needing funding from the AMD Set-Aside Fund for construction or ongoing O&M, identify the watershed the site is located in and whether the site is located in an approved QHU or not?

Other Project Funding Source(s) Including Title IV and/or AMD Set-Aside (Amount and Status):

Will the Project be an In-house Project Design or Pass Through Grant?

Anticipated Project Start and Completion Date:

**ALABAMA DEPARTMENT OF LABOR ABANDONED MINE LAND PROGRAM
Proposed 2017 AML Pilot Program Project Request Form**

Current Project Status:

Summary of any Significant Project Issues:

How likely are the project partners to complete any work required beyond the reclamation / AMD Abatement project work?

Project Proposed End Use for Economic Revitalization and/or Community Development:

Long-Term Benefits to the Local Economy and/or Community Revitalization/Development (Refer to the OSMRE AML Pilot Program Guidance Section III. 'Economic and Community Development Nexus' for example metrics for the benefits):
