JOB FAIR COMING TO FAYETTE FRIDAY

FAYETTE – The Fayette Career Center, one of 48 centers in the Alabama Career Center System, is partnering with the C-3 Industrial Development Board to host a **Job Fair Friday, March 11 from 2:00 – 5:00 p.m.** The fair will be at Beville State Community College in the Fayette Campus Gym. Over 15 employers will be on hand to meet potential employees, accept applications, and offer information about their various industries.

Staff from the Fayette Career Center will be available to assist jobseekers and offer career placement and educational services. The Mobile Career Center (photo attached) will also be available so that participants can have access to the internet and register for JobLink, the state's free online jobs database.

According to Sharron Owens, Career Center Specialist, “We currently have many displaced workers in our area as a result of various layoffs in the mining and oil field services. These are experienced workers with excellent skills.”

Employers scheduled to attend the job fair include:

- ARC, Fayette
- Steeldust Recycling, Millport
- Marathon, Vernon
- NWALMH, Fayette, Lamar, Marion
- Qualified Staffing, Sulligent

- Prime Communications, Fayette
- Liberty National Ins. Jasper
- DCH School of Radiology, Tuscaloosa
- AL. Dept. of Corrections
- Sonic, Fayette (afternoon)
- OxBodies / Norton Transportation
- Primerica
- Events Operations Group
- Family Endeavors
- Hyster-Yale

The Fayette Career Center is located on the campus of Bevill State Community College in the Tom Bevill Building, Room B-37. The center is open Monday - Friday from 8:00 a.m. – 4:30 p.m. The Alabama Career Center System is part of the Alabama Department of Labor and exists to help employers and employees find one another. Services are designed to help the citizens of Alabama gain the skills needed to get a job, locate a position for which they are qualified and provide the resources for applying to employers. The centers work with employers to qualify potential employees and help them through the interview process.
